

South Western Golden Retriever Club
Championship Show
17th March 2024

~~

Judge: - Ms Lesley List (Haydengold)

Firstly, I would like to thank the Committee of the South Western Golden Retriever Club for their kind invitation for me to judge at what was my first Championship show appointment. It was an honour to be invited and the Committee's cordial hospitality made the experience very special. Thank you also to my stewards for the day, Neil Straw and Helen Hanrahan, who both did a fantastic job.

I found the overall quality to be high, and was absolutely delighted with my main winners, in particular, both my CC and RCC winners...two beautiful examples of our breed...in super condition and fit for the purpose they were intended...

However, in saying that, I was a little disappointed on finding a few incorrect bites in the younger classes and some tails being carried higher than the standard calls for, these are fundamentals of our breed and need to be watched for the future. I also found some with shorter upper arms than ideal, which in turn affected their forward reach on the move.

Lastly, thank you to my exhibitors for bringing your lovely girls for me to judge and taking my decisions so sportingly. I was very pleased with the quality of my final line up, with some tough decisions to be made...I had a wonderful day
